

Our mayor is an elected person who serves as the head of the village's government. She has many responsibilities and follows a goal of making our village a great place for its residents to live.

Our mayor helps to decide how to spend money on local programs, construction projects, parks, village streets, and other things. At village board meetings, where village trustees discuss current and upcoming plans for their areas, the mayor listens to everything and votes on which plans should be put into practice.

The village of Croghan mayor is also responsible for making sure that village services, such as the fire department , public works department work well and are helping everyone who needs assistance.
